## ENGINES &amp; FLIGHT PERFORMANCE

# Performance.

- Two Pratt & Whitney Canada PW306D1 turbofan engines, aft-mounted
- Takeoff thrust 5,907 lbf (26.28 kN) each, flat-rated to 89.6°F (32°C)
- Dual-channel Full Authority Digital Electronic Controls (FADEC)
- Hydraulically actuated target-type thrust reversers
- Published time between overhaul 6,000 hours
- Electric start; borescope inspection ports

# 446<sub>ktas</sub>

HIGH-SPEED CRUISE

# 2,700<sub>nm</sub>

MAXIMUM RANGE (UP TO)

GARMIN® G5000® INTEGRATED FLIGHT DECK

# Avionics.

- Three 14-inch widescreen HD LCD displays (two PFD + one MFD)
- Four full-color touchscreen control panels (GTC)
- Dual GPS with WAAS/LPV; dual VHF comm and nav radios
- Dual Flight Management System with TOLD, LNAV/VNAV, LPV approaches
- Dual Collins Aerospace DME-4000 scanning units
- Garmin GWX 8000 StormOptix solid-state weather radar
- Garmin GTS 8000 TCAS II (Change 7.1 compliant)
- Class A Terrain Awareness & Warning System with reactive windshear alerting
- Garmin Synthetic Vision Technology (SVT) on PFDs
- Two Litef LCR-100 AHRS computers
- Dual Garmin GTX 3000 transponders with ADS-B Out and ADS-B In
- Garmin GRA 5500 radio altimeter
- Electronic Standby Flight Display with backup battery
- Cockpit Voice Recorder; Artex 406 MHz Emergency Locator Transmitter
- Garmin Iridium SatCom (single-channel) — voice, text, weather, diagnostics
- Textron Aviation AReS maintenance recording system
- Electronic Jeppesen ChartView charts & taxi diagrams (subscription required)

## CABIN

# Interior.

- Main cabin door with electrically operated integral airstairs
- Flat floor throughout; 72-in (1.83 m) stand-up cabin height
- Six adjustable pedestal seats — fore/aft, lateral, recline (berthable), 180° swivel
- RH forward two-place couch; belted side-facing lavatory seat
- Left-hand refreshment center with catering provisions
- Aft lavatory — flushing toilet, sliding privacy doors, vanity, storage closet
- Ten cabin windows with dual-mode pleated shades; variable LED cabin lighting
- Cabin management system with touchscreen and wireless app control
- Four 115V AC outlets; twelve USB charging ports; Gogo Avance L5 Wi-Fi

Photographed as configured — custom lower sidewall leather, satin veneer cabinetry, and custom seat quilting. Refer to material samples for exact color representation.

MAIN CABIN — FOUR-PLACE CLUB

CRAFT & FINISH

# Cabin, in detail.

Diamond-quilted leather seating, brushed-metal appointments, and integrated cabin lighting controls.

RH TWO-PLACE COUCH

CONSOLE & LIGHTING

PAINT, STRUCTURE & SYSTEMS

# Exterior.

- Polyurethane paint — Snow White with Sovereign Blue Metallic, Starlight Silver Metallic, and Gloss Black stripes
- LED primary lighting; secondary inspection, downdraft, and tail logo lighting
- Aft external baggage — 100 ft<sup>3</sup> (2.83 m<sup>3</sup>), 1,000 lb (454 kg), lockable
- Moderately swept wing with winglets; Fowler flaps; hydraulic spoilers
- Trailing-link main gear; dual-wheel nose gear with hydraulic power steering
- Multi-disc anti-skid carbon brakes; bleed-air anti-icing; electric windshield/pitot/AOA
- Single-point refueling at right wing leading edge; wheels and gear painted white

## CONFIGURED OPTIONAL EQUIPMENT

# Configuration.

## AVIONICS &amp; COMMUNICATIONS

<b>676A</b>	Cockpit Voice/Data Satellite Transceiver (Iridium)
<b>632A</b>	VHF Datalink Radio
<b>632L</b>	XM Satellite Broadcast Graphical Weather (Domestic)
<b>632C</b>	Provisions only — Honeywell KHF-1050 HF Radio w/ SELCAL provisions
<b>601M</b>	FlightPath 3-D Pro

## INTERIOR

<b>INT</b>	Custom interior — lower sidewall leather, satin veneer cabinetry, seat quilting
<b>IE</b>	Stone flooring in cabin entryway
<b>I313E</b>	High Power Outlet (in refreshment center)
<b>141M</b>	Bongiovi stereo system
<b>I332P</b>	Lighted window rings
<b>I355U</b>	Throw rugs between seats
<b>I295B</b>	Crew seat sheepskin cover
<b>67K</b>	Extended range oxygen system

## EXTERIOR &amp; SYSTEMS

<b>EXT</b>	Custom stripe paint scheme per approved rendering
<b>STD</b>	Wheels and landing gear painted white
<b>54A</b>	Pylon work lights
<b>CRQ</b>	Exterior stainless-steel screws (CRQ-154)
<b>500</b>	Eastman 2380 engine oil
<b>STD</b>	Gogo Avance L5; life-raft mooring ring; RH forward two-place couch

MANUFACTURER & VENDOR COVERAGE

# Warranty & Training.

<p>AIRFRAME</p> <p><b>5 yr / 5,000 hr</b></p> <p>Textron Aviation airframe components (whichever first)</p>	<p>AVIONICS</p> <p><b>5 yr / 5,000 hr</b></p> <p>Garmin standard &amp; optional hardware (whichever first)</p>	<p>VENDOR ITEMS</p> <p><b>5 yr / 3,000 hr</b></p> <p>Actuators, brakes, windshields, starter-generators, etc.</p>	<p>ENGINES — P&amp;WC</p> <p><b>5 yr / 3,000 hr</b></p> <p>Basic coverage from P&amp;WC shipment (whichever first)</p>
<p>APU — HONEYWELL</p> <p><b>60 mo / 2,500 hr</b></p> <p>From shipment to owner (whichever first)</p>	<p>INTERIOR &amp; PAINT</p> <p><b>2 years</b></p> <p>Furnishings and exterior paint</p>	<p>CUST.
