

AIRCRAFT SPECIFICATION

REG. N711ES

2026 · CESSNA

Citation Latitude.

Serial 680A-0487 · super-midsize · nine passengers. Factory new, delivery Q3 2026.

STRATEGIC AIRCRAFT ADVISORY & BROKERAGE

WEST ELK AVIATION

ENGINES & FLIGHT PERFORMANCE

Performance.

- Two Pratt & Whitney Canada PW306D1 turbofan engines, aft-mounted
- Takeoff thrust 5,907 lbf (26.28 kN) each, flat-rated to 89.6°F (32°C)
- Dual-channel Full Authority Digital Electronic Controls (FADEC)
- Hydraulically actuated target-type thrust reversers
- Published time between overhaul 6,000 hours
- Electric start; borescope inspection ports

446 ktas

HIGH-SPEED CRUISE

2,700 nm

MAXIMUM RANGE (UP TO)

PW306D1 · EMPENNAGE DETAIL

Manufacturer-published performance data for the Citation Latitude type. Figures describe the model and are not a measured guarantee of this airframe; actual performance varies with configuration, weight, and operating conditions. For informational purposes only — not a representation, warranty, or guarantee.

GARMIN® G5000® INTEGRATED FLIGHT DECK

Avionics.

- Three 14-inch widescreen HD LCD displays (two PFD + one MFD)
- Dual GPS with WAAS/LPV; dual VHF comm and nav radios
- Dual Collins Aerospace DME-4000 scanning units
- Garmin GTS 8000 TCAS II (Change 7.1 compliant)
- Garmin Synthetic Vision Technology (SVT) on PFDs
- Dual Garmin GTX 3000 transponders with ADS-B Out and ADS-B In
- Electronic Standby Flight Display with backup battery
- Garmin Iridium SatCom (single-channel) — voice, text, weather, diagnostics
- Electronic Jeppesen ChartView charts & taxi diagrams (subscription required)
- Four full-color touchscreen control panels (GTC)
- Dual Flight Management System with TOLD, LNAV/VNAV, LPV approaches
- Garmin GWX 8000 StormOptix solid-state weather radar
- Class A Terrain Awareness & Warning System with reactive windshear alerting
- Two Litef LCR-100 AHRS computers
- Garmin GRA 5500 radio altimeter
- Cockpit Voice Recorder; Artex 406 MHz Emergency Locator Transmitter
- Textron Aviation AReS maintenance recording system

03 / 09 AVIONICS

Manufacturer-published standard flight-deck equipment for the type. Database and chart functions require active third-party subscriptions. Configured communications options are listed on the Configuration page.

FLIGHT DECK — AS DELIVERED

CABIN

Interior.

- Main cabin door with electrically operated integral airstairs
